DEVOTED TO MAKING ADA A LARGER AND MORE PROGRESSIVE CITY

VOLUME 5

ADA, OKLAHOMA, FRIDAY EVENING, OCTOBER 16, 1908

NUMBER 170

## HASKELL TO OHIO

Guthrie, Ok., Oct. 15.—Gov. C. N. Haskell's visit to Lima and Ottawa, Ohio, as told by the newspaper dispatches today, was not previously known even among the state officials and those with whom the governor

usually advises. When leaving here Monday night the governor said he would journey as far as Kansas City and perhaps St. Louis in connection with his contemplated suit against W. R. Hearst. Only two in the state house admitted they knew the trip to be extended to Ohio. There was, however, nothing secret about the governor's desire to go to the Buckeye state before the campaign ended.

Republicans had made considerable capital out of the delay of the Ohio visit. It is charged by the governor's friends that republicans intended to give extensive circulation to a statement a few days before the election telling "Why Haskell did not go back to Ohio," but this is denied by both State Chairman Norris and the publicity bureau.

When attacks were made upon Gov. Haskell following his resignation as treasurer of the national democratic committee it was planned to make an extensive trip through the East and Middle West by special train, the governor making rear train speeches en route, in his own and Oklahoma's defense. The trip was to have been financed by Oklahoma people independent of the National Democratic Committee. The venture, however, has been abandoned, it is reliably stated, and now how much other time he will devote out of the state is not known. The state committee insists upon his making numerous speeches in Oklahoma.

Guthrie, Oct. 15.—Letters came to Gov. Haskell today from Denison, Tex., asking him to make an address there during the Red River Improvement Association meeting Nov. 5 and 6. Oklahoma is also asked to name a number of state delegates to attend the meeting.

Libel Case Continued Again.  
Guthrie, Ok., Oct. 15.—By agreement the criminal libel case of Gov. Haskell against Omar K. Benedict, publisher of the Oklahoma City Times, to be heard in the Logan County Court, has been continued for the term.

## FURNITURE FACTORY A GO

Promoters Have Purchased Site and Will Push Enterprise to a Finish.

Thursday was an eventful day for Ada. Messrs. Johnson and Christenson, promoters of the furniture factory, closed a deal for a tract of land adjoining the city limits, and say they intend to push the work of construction from the very start. This tract of land composed a portion of the land owned by the Donaghey Bros. and Frank Huddleston. The former sold 170 acres and the latter 80 acres. The main building will be built of concrete or brick, and will be 50x300 feet, three stories high, and will be constructed on the southwest corner of the Huddleston land near the Katy track. The concern will be known as the

"Ada Reed Furniture Company," and the material will be shipped from India, Japan and China, and the oak material will be supplied from Pontotoc county forest. The company will be capitalized at \$800,000.00 and stock will be offered to local investors who care to make the adventure.

At an early date, a portion of the land set apart by these people, will be platted and put on the market, and Ada will be thoroughly advertised to the world as they promote their enterprise. Lenoard Unley of Shawnee will be associated in the corporation, which will in all probability will be organized tomorrow.

### NEW CONSTRUCTION FIRM.

Permanently Located—Offices In  
Evan's Saddlery and Harness  
Store East Main Street.

Messrs. A. B. Meyer and M. H. Shackelford arrived in Ada Thursday from Tulsa, where they will be engaged representing the Sharpe-Meyer Construction Company, considered one of the more responsible in the state.

The representatives in Ada, one of whom is a member of the firm, appear to understand the business of general construction thoroughly. They relate that they shall undertake to secure the contract for the general street paving which is expected to be in active vogue throughout the business section within a short period. In the meantime they are soliciting the building of concrete sidewalks. They report that they thoroughly know about all character of concrete construction and are particularly capable in sidewalk building.

They come as permanent citizens of the community, express much confidence in the rapid commercial progress of Ada and will probably secure a fair division of the unprecedented street improvement contracts now being consummated.

Their office is located in the H. C. Evans harness and saddlery store on East Main street. Phone No. 108, where they invite business.

### Council Proceedings.

Passed an ordinance levying a poll tax of \$1.00 on all able bodied men between the ages of 2- and 50 years.

Ordinance No. 156, requiring sidewalks to be put down when ordered and fixing a penalty of 25 per cent additional cost on failure to do so, was passed.

Passed resolutions ordering walks put down on Broadway from the Frisco south; on Townsend from the Frisco, south; on Rennie from Main street to 17th street; from Broadway east on 13th street; from 12th west from Rennie. Also a walk from Main street to the north side school building.

Accepted specifications of the city engineer for paving 12th street.

Appointed a committee to purchase a safe for the city, with instructions to act at once.

### "Sapho" Tonight.

The special event of Miss Ewing's engagement will be "Sapho" tonight when Ada's "Smart Set" will also have an opportunity of seeing the much read of Directoire gown which the daily papers throughout the county have devoted much comment to. From the seat sale indication everything will be sold out for tonight. "That Girl Betsy" was most pleasing last night and afforded Miss Ewing a new characterization. Tomorrow at 2:30 p. m., "Buster Brown and Mary Jane" will be the matinee offering at 10 and 25 cents.

### MISS EWING—SAPHO.

A House Full Will View Extraordinary Directoire Creation Tonight—Bring Opera Glasses.

"Shall we go? Are you going to see Sapho tonight? To be or not to be. Whether it is better and etc., and so on? probably never agitated old Mr. Plato more than whether it is best to go see Sapho tonight is worrying numerous society and church ladies in this little city of the bountiful assets of modesty and high morals.

It is said the dress display will be very appalling.

William W. Smith, manager, referring to the moral tone of the production tonight is positive in his statement that all the features included therein are proper in all directions.

It is said that when such criticism was returned on the presentation in New York by Miss Ogle Nethersole, the original American Sapho, that under her direction, Mr. Clyde Fitch, made new dramatization of Daudet's production, making the reconstruction a strictly moral version, including the entire elimination of the sensational stairway scene.

### Rock Island-Frisco Merger

Guthrie, Ok., Oct. 15.—The reported agreement between the Rock Island and the Harriman interests whereby the Frisco's obligations are to be financed will perhaps be the solution of the Rock Island-Frisco merger matter upon which Attorney General West proposed to sue for the state of Oklahoma. Some months ago Attorney General West gave notice that he would file suit for dissolution of the merger, alleged to have been illegally made, but refrained upon the statement of the managing officers that a dissolution of the two systems was being worked out. As this would accomplish all the state asked, the suit has no official notice of a dissolution, it was assured by the Rock Island people that the two systems would be separated, and the belief here is the alleged Rock Island-Harriman understanding will bring it about. There is no information, however, to sustain the statement that the Harriman interests have purchased the Frisco system.

### Bound Over to Grand Jury.

Oklahoma City, Ok., Oct. 15.—Harry Parker, alias Forrest Mingle, who was arrested in Wichita in connection with the killing of Mrs. Harry Pearson in this city Sept. 16, was

held to the Grand Jury today without bail. Several witnesses identified Parker, and Mingle as one and the same man. The accused pleads not guilty on the ground of mistaken identity and says he never was in Oklahoma City before.

## \$100,000 IS NEEDED

New York, Oct. 15.—The Democratic National Committee, through Treasurer Herman Ridder, this morning gave out an extended statement of contributions to the democratic national campaign fund up to and including Oct. 9, showing sums of \$500 and over. The statement also shows the receipts and disbursements as follows:

Received from contributors, \$100 and over, \$90,172.36.

Received from contributors, under \$100, \$115,355.22.

Amount left over from Denver fund, \$42,500.

Total, 248,567.55.

Amount disbursed, \$225,960.88.

Balance on hand, \$22,604.60.

The statement, which was signed by National Chairman Mack and Treasurer Ridder, says 343 subscribers gave \$100 or more and smaller sums from 25c up. It says: "The number of contributors to the National committee fund, it is estimated, is about 50,000 people, and about \$100,000 is the whole amount of the contribution which came from the democratic newspapers throughout the United States."

"It will be noticed from the foregoing statement that the cash balance is about \$22,000. Supplies contracted for and undelivered, circulation literature, expense of headquarters in Chicago, New York and Denver and traveling and other expense incident to our speaking campaign now under way make necessary an additional \$100,000 to carry out the campaign to a successful issue. We are confident the people whom we are thus taking into our confidence will supply us with this additional sum, and we earnestly urge prompt and generous response to this appeal."

"Subscriptions of \$100 or more are to be published daily, beginning Oct. 16."

### Odds Against Taft.

Cleveland, Ohio, Oct. 15.—Taft no longer is a 2 to 1 favorite in the betting here that he will carry Ohio this fall. At the outset of the campaign the sentiment was so strongly in favor of the Ohioan in his own state that republicans were offering 2 to 1 on Taft in Ohio, and there were few takers. The sentiment has veered somewhat now, and today republicans are declining to give more than \$100 to \$75 that their candidate will carry the state. It is said that one or two men, known as Cleveland's biggest bettors, are quietly making some even money bets on Bryan carrying Ohio, but no man has come out in the open with such a proposition. The posted offers remain at \$100 to \$75 on Taft.

## PAIN

Pain in the head—pain anywhere, has its cause. Pain is congestion, pain is blood pressure—nothing else usually. At least, so says Dr. Shoop, and to prove it he has created a little pink tablet. That tablet—called Dr. Shoop's Headache Tablet—coaxes blood pressure away from pain centers. Its effect is charming, pleasingly delightful. Gently though safely, it surely equalizes the blood circulation.

If you have a headache, it's blood pressure. If it's painful periods with women, same cause. If you are sleepless, restless, nervous, it's blood congestion—blood pressure. That surely is a certainty, for Dr. Shoop's Headache Tablets stop it in 20 minutes, and the tablets simply distribute the unnatural blood pressure.

Bruse your finger, and doesn't it get red, and swell, and pain you? Of course it does. It's congestion, blood pressure. You'll find it where pain is—always. It's simply Common Sense. We sell at 25 cents, and cheerfully recommend

**The Lecture.**  
The Rev. Dr. Smith of Dallas delighted a large audience at the Presbyterian church Wednesday evening with his lecture, "The Little Rulers of the World." The speaker proved that his subject was a rich and broad foundation for a most splendid discourse, and the effort was as rich and as productive of valuable information, telling logic, humor and pathos, as any we have ever heard.

This lecture proved to those who have listened to his powerful sermons for the past several days, that Dr. Smith is equipped for a splendid career on the American platform. We wish every man, woman and child in Ada could have heard this lecture. He indeed made the American child appear as an important factor in the nation's destiny, as all other factors combined.

### IF WOMEN ONLY KNEW.

What a Heap of Happiness It Would Bring to Ada Homes.

Hard to do housework with an aching back.

Brings you hours of misery at leisure or at work.

If women only knew the cause—that backache pains come from sick kidneys, 'twould save much needless woe. Doan's Kidney Pills cure sick kidneys. Ada people endorse this:

Mrs. S. M. Kyserm, living at 502 W. Main street, Ada, Okla., says: "Last summer I was suffering a great deal from a dull, heavy aching through my back and hips. I thought it was due to a cold settling on my kidneys, and was inclined to believe that it would soon disappear. The aching became more intense, however, and other symptoms of kidney trouble developed. I then decided to give Doan's Kidney Pills a trial, and procured a box at G. M. Ramsey's drug store. After taking a few doses the trouble began to disappear. I continued using the remedy faithfully, until my difficulties were entirely removed. I am glad to state I have had no return of kidney complaint since."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York sole agents for the United States.

Stomach troubles would more quickly disappear if the idea of treating the cause, rather than the effect, would come into practice. When these "inside nerves" fail, then the organs must falter. Dr. Shoop's Restorative is directed specifically to these failing nerves. ## HASKELL TO OHIO

Guthrie, Ok., Oct. 15.—Gov. C. N. Haskell's visit to Lima and Ottawa, Ohio, as told by the newspaper dispatches today, was not previously known even among the state officials and those with whom the governor

usually advises. When leaving here Monday night the governor said he would journey as far as Kansas City and perhaps St. Louis in connection with his contemplated suit against W. R. Hearst. Only two in the state house admitted they knew the trip to be extended to Ohio. There was, however, nothing secret about the governor's desire to go to the Buckeye state before the campaign ended.

Republicans had made considerable capital out of the delay of the Ohio visit. It is charged by the governor's friends that republicans intended to give extensive circulation to a statement a few days before the election telling "Why Haskell did not go back to Ohio," but this is denied by both State Chairman Norris and the publicity bureau.

When attacks were made upon Gov. Haskell following his resignation as treasurer of the national democratic committee it was planned to make an extensive trip through the East and Middle West by special train, the governor making rear train speeches en route in his own and Oklahoma's defense. The trip was to have been financed by Oklahoma people independent of the National Democratic Committee. The venture, however, has been abandoned, it is reliably stated, and now how much other time he will devote out of the state is not known. The state committee insists upon his making numerous speeches in Oklahoma.

Guthrie, Oct. 15.—Letters came to Gov. Haskell today from Denison, Tex., asking him to make an address there during the Red River Improvement Association meeting Nov. 5 and 6. Oklahoma is also asked to name a number of state delegates to attend the meeting.

Libel Case Continued Again.  
Guthrie, Ok., Oct. 15.—By agreement the criminal libel case of Gov. Haskell against Omar K. Benedict, publisher of the Oklahoma City Times, to be heard in the Logan County Court, has been continued for the term.

## FURNITURE FACTORY A GO

### Promoters Have Purchased Site and Will Push Enterprise to a Finish.

Thursday was an eventful day for Ada Messrs. Johnson and Christenson, promoters of the furniture factory, closed a deal for a tract of land adjoining the city limits, and say they intend to push the work of construction from the very start. This tract of land composed a portion of the land owned by the Donaghey Bros. and Frank Huddleston. The former sold 170 acres and the latter 80 acres. The main building will be built of concrete or brick, and will be 50x300 feet, three stories high, and will be constructed on the southwest corner of the Huddleston land near the Katy track. The concern will be known as the

"Ada Reed Furniture Company," and the material will be shipped from India, Japan and China, and the oak material will be supplied from Pontotoc county forest. The company will be capitalized at \$800,000.00 and stock will be offered to local investors who care to make the adventure.

At an early date, a portion of the land set apart by these people, will be platted and put on the market, and Ada will be thoroughly advertised to the world as they promote their enterprise. Lenoard Unley of Shawnee will be associated in the corporation, which will in all probability will be organized tomorrow.

### NEW CONSTRUCTION FIRM.

Permanently Located—Offices In  
Evans' Saddlery and Harness  
Store East Main Street.

Messrs. A. B. Meyer and M. H. Shackelford arrived in Ada Thursday from Tulsa, where they will be engaged representing the Sharpe-Meyer Construction Company, considered one of the more responsible in the state.

The representatives in Ada, one of whom is a member of the firm, appear to understand the business of general construction thoroughly. They relate that they shall undertake to secure the contract for the general street paving which is expected to be in active vogue throughout the business section within a short period. In the meantime they are soliciting the building of concrete sidewalks. They report that they thoroughly know about all character of concrete construction and are particularly capable in sidewalk building.

They come as permanent citizens of the community express much confidence in the rapid commercial progress of Ada and will probably secure a fair division of the unprecedented street improvement contracts now being consummated.

Their office is located in the H. C. Evans harness and saddlery store on East Main street Phone No. 108, where they invite business.

### Council Proceedings.

Passed an ordinance levying a poll tax of \$1.00 on all able bodied men between the ages of 2- and 50 years.

Ordinance No. 156 requiring sidewalks to be put down when ordered and fixing a penalty of 25 per cent additional cost on failure to do so, was passed.

Passed resolutions ordering walks put down on Broadway from the Frisco south; on Townsend from the Frisco south; on Rennie from Main street to 17th street; from Broadway east on 13th street; from 12th west from Rennie. Also a walk from Main street to the north side school building.

Accepted specifications of the city engineer for paving 12th street.

Appointed a committee to purchase a safe for the city, with instructions to act at once.

### "Sapho" Tonight.

The special event of Miss Ewing's engagement will be "Sapho" tonight when Ada's "Smart Set" will also have an opportunity of seeing the much read of Directoire gown which the daily papers throughout the county have devoted much comment to. From the seat sale indication everything will be sold out for tonight. "That Girl Betsy" was most pleasing last night and afforded Miss Ewing a new characterization. Tomorrow at 2:30 p. m., "Buster Brown and Mary Jane" will be the matinee offering at 10 and 25 cents.

### MISS EWING—SAPHO.

A House Full Will View Extraordinary Directoire Creation Tonight—Bring Opera Glasses.

Shall we go? Are you going to see Sapho tonight? To be or not to be. Whether it is better and etc., and so on? probably never agitated old Mr. Plato more than whether it is best to go see Sapho tonight is worrying numerous society and church ladies in this little city of the beautiful assets of modesty and high morals.

It is said the dress display will be very appalling.

William W. Smith, manager, referring to the moral tone of the production tonight is positive in his statement that all the features included therein are proper in all directions.

It is said that when such criticism was returned on the presentation in New York by Miss Ogle, Netherlands, the original American Sapho, that under her direction, Mr. Clyde Fitch, made new dramatization of Daudet's production making the reconstruction a strictly moral version including the entire elimination of the sensational stairway scene.

### Rock Island-Frisco Merger

Guthrie, Ok., Oct. 15.—The reported agreement between the Rock Island and the Harriman interests whereby the Frisco's obligations are to be financed will perhaps be the solution of the Rock Island-Frisco merger matter upon which Attorney General West proposed to sue for the state of Oklahoma. Some months ago Attorney General West gave notice that he would file suit for dissolution of the merger, alleged to have been illegally made, but refrained upon the statement of the managing officers that a dissolution of the two systems was being worked out. As this would accomplish all the state asked, the suit has no official notice of a dissolution, it was assured by the Rock Island people that the two systems would be separated, and the belief here is the alleged Rock Island-Harriman understanding will bring it about. There is no information, however, to sustain the statement that the Harriman interests have purchased the Frisco system.

**WHEN** you buy clothes ask for the maker's name; and find out what it stands for.

Your clothier may be absolutely honest, and an expert judge of clothes; but the maker, and how he makes, are the things for you to find out. Quality is a matter of fact, not of expert judgement.

You know our name as good clothes makers; it stands for all-wool fabrics and no other; for the best ideas in style, the most perfect tailoring; for clothes designed to fit, for the things you want.

The way to be sure of getting them is to be sure of the name, don't take anybody's word for it; if it isn't in the clothes, don't buy them

# \$100,000 IS NEEDED

New York, Oct. 15.—The Democratic National Committee, through Treasurer Herman Ridder, this morning gave out an extended statement of contributions to the democratic national campaign fund up to and including Oct. 9, showing sums of \$590 and over. The statement also shows the receipts and disbursements as follows:

Received from contributors, \$100 and over, \$90,172.36.

Received from contributors, under \$100, \$115,355.22.

Amount left over from Denver fund, \$12,500.

Total, 248,567.55.

Amount disbursed, \$225,969.88.

Balance on hand, \$22,604.60.

The statement, which was signed by National Chairman Mack and Treasurer Ridder, says 343 subscribers gave \$100 or more and smaller sums from 25c up. It says:

"The number of contributors to the National committee fund, it is estimated, is about 50,000 people and about \$100,000 is the whole amount of the contribution which came from the democratic newspapers throughout the United States.

"It will be noticed from the foregoing statement that the cash balance is about \$22,000. Supplies contracted for and undelivered, circulation literature, expense of headquarters in Chicago, New York and Denver and traveling and other expense incident to our speaking campaign now under way make necessary an additional \$100,000 to carry out the campaign to a successful issue. We are confident the people whom we are thus taking into our confidence will supply us with this additional sum, and we earnestly urge prompt and generous response to this appeal.

"Subscriptions of \$100 or more are to be published daily, beginning Oct. 16."

**Odds Against Taft.**  
Cleveland, Ohio, Oct. 15.—Taft no longer is a 2 to 1 favorite in the betting here that he will carry Ohio this fall. At the outset of the campaign the sentiment was so strongly in favor of the Ohioan in his own state that republicans were offering 2 to 1 on Taft in Ohio, and there were few takers. The sentiment has veered somewhat now, and today republicans are declining to give more than \$100 to \$75 that their candidate will carry the state. It is said that one or two men, known as Cleveland's biggest bettors, are quietly making some even money bets on Bryan carrying Ohio, but no man has come out in the open with such a proposition. The posted odds remain at \$100 to \$75 on Taft.

## PAIN

Pain in the head—pain anywhere, has its cause. Pain is congestion, pain is blood pressure—nothing else usually. At last, so says Dr. Shoop, and to prove it he has created a little pink tablet. That tablet—called Dr. Shoop's Headache Tablets—coaxes blood pressure away from pain centers. Its effect is charming, pleasantly delightful. Gently though safely, it surely equalizes the blood circulation.

If you have a headache, it's blood pressure. If it's painful periods with women, same cause. If you are sleepless, restless, nervous, it's blood congestion—blood pressure. That surely is a certainty, for Dr. Shoop's Headache Tablets stop it in 20 minutes, and the tablets simply distribute the unnatural blood pressure. Rub on your finger, and doesn't it get red, and swell, and pain you? Of course it does. It's congestion, blood pressure. You'll find it where pain is—always. It's simply Common Sense.

We sell at 25 cents, and cheerfully recommend

**The Lecture.**

The Rev. Dr. Smith of Dallas delighted a large audience at the Presbyterian church Wednesday evening with his lecture, "The Little Rulers of the World." The speaker pointed out that his subject was a rich and broad foundation for a most splendid discourse, and the effort was as rich and as productive of valuable information, telling logic humor and pathos, as any we have ever heard.

This lecture proved to those who have listened to his powerful sermons for the past several days that Dr. Smith is equipped for a splendid career on the American platform. We wish every man, woman and child in Ada could have heard this lecture. He indeed made the American child appear as an important factor in the nation's destiny, as all other factors combined.

## IF WOMEN ONLY KNEW.

What a Heap of Happiness It Would Bring to Ada Homes.

Hard to do housework with an aching back.

Brings you hours of misery at leisure or at work.

If women only knew the cause—that backache pains come from sick kidneys, 'twould save much needless woe.

Doan's Kidney Pills cure sick kidneys. Ada people endorse this:

Mrs. S. M. Kyserm, living at 502 W. Main street, Ada, Okla., says:

"Last summer I was suffering a great deal from a dull, heavy aching through my back and hips. I thought it was due to a cold settling on my kidneys, and was inclined to believe that it would soon disappear. The aching became more intense, however, and other symptoms of kidney trouble developed. I then decided to give Doan's Kidney Pills a trial, and procured a box at G. M. Ramsey's drug store. After taking a few doses the trouble began to disappear. I continued using the remedy faithfully, until my difficulties were entirely removed. I am glad to state I have had no return of kidney complaint since."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York sole agents for the United States.

Remember the name—Doan's—and take no other.

When these "inside nerves" fail, then the organs must fail. Dr. Shoop's Restorative is directed specifically to these failing nerves. DEVOTED TO MAKING ADA A LARGER AND MORE PROGRESSIVE CITY

VOLUME 5

ADA, OKLAHOMA, FRIDAY EVENING, OCTOBER 16, 1908

NUMBER 170

## HASKELL TO OHIO

Guthrie, Ok., Oct. 15.—Gov. C. N. Haskell's visit to Lima and Ottawa, Ohio, as told by the newspaper dispatches today, was not previously known even among the state officials and those with whom the governor

usually advises. When leaving here Monday night the governor said he would journey as far as Kansas City and perhaps St. Louis in connection with his contemplated suit against W. R. Hearst. Only two in the state house admitted they knew the trip to be extended to Ohio. There was, however, nothing secret about the governor's desire to go to the Buckeye state before the campaign ended.

Republicans had made considerable capital out of the delay of the Ohio visit. It is charged by the governor's friends that republicans intended to give extensive circulation to a statement a few days before the election telling "Why Haskell did not go back to Ohio," but this is denied by both State Chairman Norris and the publicity bureau.

When attacks were made upon Gov. Haskell following his resignation as treasurer of the national democratic committee it was planned to make an extensive trip through the East and Middle West by special train, the governor making rear train speeches en route, in his own and Oklahoma's defense. The trip was to have been financed by Oklahoma people independent of the National Democratic Committee. The venture, however, has been abandoned, it is reliably stated, and now how much other time he will devote out of the state is not known. The state committee insists upon his making numerous speeches in Oklahoma.

Guthrie, Oct. 15.—Letters came to Gov. Haskell today from Denison, Tex., asking him to make an address there during the Red River Improvement Association meeting Nov. 5 and 6. Oklahoma is also asked to name a number of state delegates to attend the meeting.

Libel Case Continued Again.  
Guthrie, Ok., Oct. 15.—By agreement the criminal libel case of Gov. Haskell against Omar K. Benedict, publisher of the Oklahoma City Times, to be heard in the Logan County Court, has been continued for the term.

## FURNITURE FACTORY A GO

Promoters Have Purchased Site and Will Push Enterprise to a Finish.

Thursday was an eventful day for Ada. Messrs. Johnson and Christenson, promoters of the furniture factory, closed a deal for a tract of land adjoining the city limits, and say they intend to push the work of construction from the very start. This tract of land composed a portion of the land owned by the Donaghey Bros and Frank Huddleston. The former sold 170 acres and the latter 80 acres. The main building will be built of concrete or brick, and will be 50x300 feet, three stories high, and will be constructed on the southwest corner of the Huddleston land near the Katy track. The concern will be known as the

"Ada Reed Furniture Company," and the material will be shipped from India, Japan and China, and the oak material will be supplied from Pontotoc county forest. The company will be capitalized at \$800,000.00 and stock will be offered to local investors who care to make the adventure.

At an early date, a portion of the land set apart by these people, will be platted and put on the market, and Ada will be thoroughly advertised to the world as they promote their enterprise. Lenoard Unley of Shawnee will be associated in the corporation, which will in all probability will be organized tomorrow.

### NEW CONSTRUCTION FIRM.

Permanently Located—Offices In Evans' Saddlery and Harness Store East Main Street.

Messrs. A. B. Meyer and M. H. Shackelford arrived in Ada Thursday from Tulsa, where they will be engaged representing the Sharpe-Meyer Construction Company, considered one of the more responsible in the state.

The representatives in Ada, one of whom is a member of the firm, appear to understand the business of general construction thoroughly. They relate that they shall undertake to secure the contract for the general street paving which is expected to be in active vogue throughout the business section within a short period. In the meantime they are soliciting the building of concrete sidewalks. They report that they thoroughly know about all character of concrete construction and are particularly capable in sidewalk building.

They come as permanent citizens of the community, express much confidence in the rapid commercial progress of Ada and will probably secure a fair division of the unprecedented street improvement contracts now being consummated.

Their office is located in the H. C. Evans harness and saddlery store on East Main street, Phone No. 108, where they invite business.

### Council Proceedings.

Passed an ordinance levying a poll tax of \$1.00 on all able bodied men between the ages of 2- and 50 years.

Ordinance No. 156, requiring sidewalks to be put down when ordered and fixing a penalty of 25 per cent additional cost on failure to do so, was passed.

Passed resolutions ordering walks put down on Broadway from the Frisco south; on Townsend from the Frisco south; on Rennie from Main street to 17th street; from Broadway east on 13th street; from 12th west from Rennie. Also a walk from Main street to the north side school building.

Accepted specifications of the city engineer for paving 12th street.

Appointed a committee to purchase a safe for the city, with instructions to act at once.

### "Sapho" Tonight.

The special event of Miss Ewing's engagement will be "Sapho" tonight when Ada's "Smart Set" will also have an opportunity of seeing the much read of Directoire gown which the daily papers throughout the county have devoted much comment to. From the seat sale indication everything will be sold out for tonight. "That Girl Betsy" was most pleasing last night and afforded Miss Ewing a new characterization. Tomorrow at 2:30 p. m., "Buster Brown and Mary Jane" will be the matinee offering at 10 and 25 cents.

### MISS EWING—SAPHO.

A House Full Will View Extraordinary Directoire Creation Tonight—Bring Opera Glasses.

"Shall we go?" Are you going to see Sapho tonight? To be or not to be, whether it is better and etc., and so on? probably never agitated old Mr. Plato more than whether it is best to go see Sapho tonight is worrying numerous society and church ladies in this little city of the beautiful assets of modesty and high morals.

It is said the dress display will be very appalling.

William W. Smith, manager, referring to the moral tone of the production tonight is positive in his statement that all the features included therein are proper in all directions.

It is said that when such criticism was returned on the presentation in New York by Miss Ode Nethersole, the original American Sapho, that under her direction, Mr. Clyde Fitch, made new dramatization of Daudet's production, making the reconstruction a strictly moral version, including the entire elimination of the sensational stairway scene.

### Rock Island-Frisco Merger

Guthrie, Ok., Oct. 15.—The reported agreement between the Rock Island and the Harriman interests whereby the Frisco's obligations are to be financed will perhaps be the solution of the Rock Island-Frisco merger matter upon which Attorney General West proposed to sue for the state of Oklahoma. Some months ago Attorney General West gave notice that he would file suit for dissolution of the merger, alleged to have been illegally made, but refrained upon the statement of the managing officers that a dissolution of the two systems was being worked out. As this would accomplish all the state asked, the suit has no official notice of a dissolution, it was assured by the Rock Island people that the two systems would be separated, and the belief here is the alleged Rock Island-Harriman understanding will bring it about. There is no information, however, to sustain the statement that the Harriman interests have purchased the Frisco system.

### Bound Over to Grand Jury.

Oklahoma City, Ok., Oct. 15.—Harry Parker, alias Forrest Mingle, who was arrested in Wichita in connection with the killing of Mrs. Harry Pearson in this city Sept. 16, was

held to the Grand Jury today without bail. Several witnesses identified Parker, and Mingle as one and the same man. The accused pleads not guilty on the ground of mistaken identity and says he never was in Oklahoma City before.

## \$100,000 IS NEEDED

New York, Oct. 15.—The Democratic National Committee, through Treasurer Herman Ridder, this morning gave out an extended statement of contributions to the democratic national campaign fund up to and including Oct. 9, showing sums of \$500 and over. The statement also shows the receipts and disbursements as follows:

Received from contributors, \$100 and over, \$90,172.36.

Received from contributors, under \$100, \$115,355.22

Amount left over from Denver fund, \$12,580

Total, \$248,067.55.

Amount disbursed, \$225,960.88.

Balance on hand, \$22,604.60.

The statement, which was signed by National Chairman Mack and Treasurer Ridder, says 312 subscribers gave \$100 or more and smaller sums from 250 up to 11 says.

The number of contributors to the National committee fund, it is estimated, is about 50,000 people and about \$100,000 is the whole amount of the contribution which came from the democratic newspapers throughout the United States.

"It will be noticed from the foregoing statement that the cash balance is about \$22,000. Supplies contracted for and undelivered, circulation literature, expense of headquarters in Chicago, New York and Denver and traveling and other expense incident to our speaking campaign now under way make necessary an additional \$100,000 to carry out the campaign to a successful issue. We are confident the people whom we are thus taking into our confidence will supply us with this additional sum, and we earnestly urge prompt and generous response to this appeal.

"Subscriptions of \$100 or more are to be published daily, beginning Oct. 16."

**Odds Against Taft.**  
Cleveland, Ohio, Oct. 15.—Taft no longer is a 2 to 1 favorite in the betting here that he will carry Ohio this fall. At the outset of the campaign the sentiment was so strongly in favor of the Ohioan in his own state that republicans were offering 2 to 1 on Taft in Ohio, and there were few takers. The sentiment has veered somewhat now, and today republicans are declining to give more than \$100 to \$75 that their candidate will carry the state. It is said that one or two men, known as Cleveland's biggest bettors, are quietly making some even money bets on Bryan carrying Ohio, but no man has come out in the open with such a proposition. The posted odds remain at \$100 to \$75 on Taft.

## PAIN

Pain in the head—pain anywhere, has its cause. Pain is congestion, pain is blood pressure—nothing else usually. At least, so says Dr. Shoop, and to prove it he has created a little pink tablet. That tablet—called Dr. Shoop's Headache Tablets—coaxes blood pressure away from pain centers. Its effect is charming, pleasantly delightful. Gently though safely, it surely equalizes the blood circulation.

If you have a headache, it's blood pressure. If it's painful periods with women, same cause. If you are sleepless, restless, nervous, it's blood congestion—blood pressure. That surely is a certainty, for Dr. Shoop's Headache Tablets stop it in 20 minutes, and the tablets simply distribute the unnatural blood pressure.

Bruiise your finger, and doesn't it get red, and swell, and pain you? Of course it does. It's congestion, blood pressure. You'll find it where pain is—where it's simply Common Sense.

We sell at 25 cents, and cheerfully recommend

The Lecture. The Rev. Dr. Smith of Dallas delighted a large audience at the Presbyterian church Wednesday evening with his lecture, "The Little Rulers of the World." The speaker proved that his subject was a rich and broad foundation for a most splendid discourse, and the effort was as rich and as productive of valuable information, telling logic humor and pathos, as any we have ever heard.

This lecture proved to those who have listened to his powerful sermons for the past several days that Dr. Smith is equipped for a splendid career on the American platform. We wish every man, woman and child in Ada could have heard this lecture. He indeed made the American child appear as an important factor in the nation's destiny, as all other factors combined.

IF WOMEN ONLY KNEW. What a Heap of Happiness It Would Bring to Ada Homes.

Hard to do housework with an aching back. Brings you hours of misery at leisure or at work.

If women only knew the cause—that backache pains come from sick kidneys, Doan's Kidney Pills cure sick kidneys. Ada people endorse this: Mrs. S. M. Kysorn, living at 502 W. Main street, Ada, Okla., says: "Last summer I was suffering a great deal from a dull, heavy aching through my back and hips. I thought it was due to a cold settling on my kidneys, and was inclined to believe that it would soon disappear. The aching became more intense, however, and other symptoms of kidney trouble developed. I then decided to give Doan's Kidney Pills a trial, and procured a box at G. M. Ramsey's drug store. After taking a few doses the trouble began to disappear. I continued using the remedy faithfully, until my difficulties were entirely removed. I am glad to state I have had no return of kidney complaint since."

Stomach troubles would more quickly disappear if the idea of treating the cause, rather than the effect, would come into practice.
